

A revolutionary  
Clear coat,  
UHS-2:1, 420 gr/lit,  
never been so easy  
to apply...even in  
upright conditions

---

# Vantix: never seen before.

ICR presents for the first time on the market it's new innovated formula, fast and very easy to apply, guaranteeing a very high gloss and full-body appearance. Thank to its' unique formula it can be applied in horizontal as well as vertical surfaces avoiding any kind of sagging problems and cross ropy finish with an excellent flow.

**ICR. A new challenge.**
